Team Leaders Wanted! (Teens and young adults we need you!)

We have a great time every year at VBS. And to create a safe and fun atmosphere for the kids we need teens and young adults to be team leaders. If you would like to be a team leader, please contact me. Kara (209) 484-1562

Decorating Supplies Needed for VBS

Vacation Bible School is blasting into outer space to "Mars and Beyond" this year, and we need a few things to help create an out-of-this-world experience:

- LOTS of clean, heavy, black plastic sheeting
- Any celestial shapes such as stars and items that look like planets, round cardboard circles such as those you would get under frozen pizzas,
- Black & silver spray paint, glow-in-the-dark paints
- One of our VBS projects requires an old garden hose that will be cut into pieces. If you have one, please bring it to the church office.
- And we use PVC for many projects around the church. If you have clean, 5-10' lengths of PVC pipe to donate, please bring it in!

S.D.A. Senior Fellowship invites those age 50+

to join us on Sunday, May 26, for Ice Cream Sundae Sunday Picnic and more at Hope Haven Farm. Our picnic lunch will begin at 11:30am and each member/visitor are asked to bring one of your favorite picnic foods (salads, sandwiches, chips, beans, etc.) to serve six. Drinks and tableware will be provided. Our dessert will be homemade ice cream. (Homemade vegan ice cream will also be available.) No charge for the Senior Fellowship members. \$5.00 for visitors. Please call Jenny Beasley at (209) 838-6856 by Wed., May 22, for reservations, directions and additional information.

Are you creative? Make robots!

Well, this is something you rarely see in the Bulletin! Yes, you read it right! Use your creativity to make a robots, flat or three dimensional that we could use as VBS decorations.

Use your creativity and make your robots out of re-purposed materials. You are also welcome to use items in the children's craft storage of the church's Kindergarten room. Make small robots or big robots. Just make sure they are going to be safe around little kids. Have fun with it! The robots are needed by June 18, Kara, VBS Director
