We have a great time every year at VBS. And to create a safe and fun atmosphere for the kids we need teens and young adults to be team leaders. If you would like to be a team leader, please contact me. Kara (209) 484-1562

Decorating Supplies Needed for VBS

Vacation Bible School is blasting into outer space to "Mars and Beyond" this year, and we need a few things to help create an out-of-this-world experience:

- LOTS of clean, heavy, black plastic sheeting
- Any celestial shapes such as stars and items that look like planets, round cardboard circles such as those you would get under frozen pizzas,
- Black & silver spray paint, glow-in-the-dark paints
- One of our VBS projects requires an old garden hose that will be cut into pieces. If you have one, please bring it to the church office.
- And we use PVC for many projects around the church. If you have clean, 5-10' lengths of PVC pipe to donate, please bring it in!

Are you creative? Make robots!

Well, this is something you rarely see in the Bulletin! Yes, you read it right! Use your creativity to make a robots, flat or three dimensional that we could use as VBS decorations.

Use your creativity and make your robots out of re-purposed materials. You are also welcome to use items in the children's craft storage of the church's Kindergarten room. Make small robots or big robots. Just make sure they are going to be safe around little kids. Have fun with it! The robots are needed by June 18, Kara, VBS Director
