

Dear Church Families,

Our world has radically changed over the past few weeks, but I am thankful that we have a God who is leading us through the confusion that swirls around us.

This note is to let you know that in order to preserve the health and well being of our members our conference office has made the following decision:

CLOVIS, CALIF.,—March 17, 2020,

The Central California Conference of Seventh-day Adventists (CCC), through its Officers Council, is directing and requiring that:

(1) All CCC churches (including companies and church plants) cease all gatherings for church-related events at church locations during March 19 – April 12, 2020

In harmony with this guidance from our leadership, starting this Thursday the Ceres and Patterson churches will be transitioning to online services, and will not be holding public worship services in our buildings during this time period. This includes all mid week services as well.

We will be notifying you as to the process that you will need to use to join our online services in the very near future.

We do encourage you to keep in contact with other members of our church.

We really appreciate many of you already caring for the needs especially of the older members of our congregation.

Praying for each of you!

Pastor Ted Baze
