Community Services is Not Receiving Items at This Time.

Due to the current closure of our Community Services clothing and housewares ministry, we are not taking donations at this time. If you have items to donate, please take them elsewhere and do not leave items by the Community Service doors or the gate. We appreciate your continued support!

Please give to Student Aid! And do you need tithe envelopes?

The church still needs your financial support! Although our church doors are closed right now, the church bills and many of our students starting at CVCA next week need financial aid to attend our wonderful Christian School. If you need tithe envelopes, please contact the church office and we will be glad to get them to you. And PLEASE, remember "Student Aid" when you pray about your donation amount. Simply write-in "Student Aid" on your tithe envelope. Your church and our CVCA families need your help! Thank you for continuing to support God's church!

Do you have nice take out food containers stacking up?

Please save your nice take out food containers for the church kitchen. Some day, when we get to have potlucks and dinners again, those take out containers will be very useful to take food to the sick and elderly. Make sure they are nice and clean, very dry, and only containers with lids please.

Phone a friend!

There are a few church members who are sick and others who are staying in away from the virus. Please call and check on your friends, especially those who live alone.
