Good day fellow Adventist!

I have enclosed below the link to my tract website.

These tracts are **specifically entry level** and are focused on the 3 angels' message to the world (50% of the world has 1% of the pastors)

Currently they are in over 100 countries and enjoy the support of unions and many conferences

They are specifically developed for "WhatsApp"

Please feel free to use them at your discretion

New tracts are introduced every month or so.

May God bless your ministry!
